ow noul it the Board of Directors DOCTOR OBJECTS TO \$25 A WEEK

ALIMONY FOR WIFE. The federation declared in favor of the national movement for converting the Pourth of July into an Americanization day. Mrs. Lillian Bussell Moore of Pittsburgh, who recently returned from a mission to Europe on which she was sent by Freeddent Harding to make a study of the manigration problem, was sentenced for a peak on "America for pileation saying that the doctor has at the control of the property of the p income of more than \$10,000 a year.

## BURDEN OF TARIFF ON PEOPLE, SAYS SENATOR SIMMONS

Must Pay Resulting Increase in Prices of Commodities, He Declares in Report.

hat would be imposed by the pendng Teviff Bill would be as real as four billions of dollars, Senator Simport filed to-day in the Senate.

"They must be paid by all the peo the report says, "just as those the Revenue Bill must be paid by all the people, and not by the eneficiaries who have demanded and got them. The people must not only pay the taxes on imports which go directly into the Treasury but they must pay the resulting increase b prices of all the things they buy and "So far as the special interests are

oncerned, it goes without saying the axes imposed are both satisfying and comforting. On the other hand the cople view this bill as a measure ull of mischief and dangerous possiilities, loaded with innumerable burlens for them and their posterity They will be satisfied with nothing short of a full exposure through discussion of this attempted outrage. nspired by the desire to placate the subsidized interests at their expense, Senator Simmons asserts that the ule for the measure of protection found in the bill is defined in the ocument itself as the difference in the selling price in this country and

As to the flexible tariff, the report says the power to further increase operate as an invitation to invoke the exercise of these extra legislative powrs when the prescribed rates are no sufficint to safeguard the protested roducers against the risk of foreign empetition in case they may wish to calse their prices above the level of the protection against such competion afforded by the rates written in

Senator Simmons says the state ment in the majority report that the purpose of the bill is to permit American industry to pay wages sufficient naintain the American standard of living "sounds rather strange, in view of the fact that these self-same in lustries are to-day engaged in an inensive drive to reduce present wage standards." He adds that the stand ard of wages in foreign competing ountries is to-day more nearly equahe American standard than ever be fore; that the cost of products bears muc halighter relation to the daily wage paid to labor than in former lmes and that profits constitute a far arger element in selling prices both n this country and abroad than all ther elements entering into the cost

The report says American goods ar old in foreign markets in competition with the world and that if American producers can compete in those narkets with foreign manufacturers hey should be able to compete in the

### 617 CRIME CASES RUSHED THROUGH HERE SINCE APRIL

ncan market.

District Attorney Reports 179 Actions Disposed of in Last Week.

District Attorney Banton exhibited with pride to-day his office's record of the number of trials in criminal ses during the past week and since e took office, Jan. 1.

In the eleven parts of General Ses ons and the Supreme Court which re now hearing criminal actions, 179 uses were disposed of during the last veek, making a total of 612 since April 17, when, with the assistance of he Judges, the District Attorney's office began to speed up the presenta ion of criminal cases in an effort to

When Mr. Banton assumed office there were 2,488 cases on the calendar. Since then his office has heard not mly all which have come up, but has ecreased the calendar to 2,103 cases with 1,756 of them now ready for trial

## LARKIN FREED. PENDING APPEAL

Convicted as Anarchist, Bail Accepted on Certificate of Reasonable Doubt.

ALBANY, May 6 .- James Larkin British labor leader and Secretary and Treasurer of the British Long-shoremen's Union, who has been confined in State prison for about two years on his conviction in New York City of criminal anarchy, was re leased from Great Meadows Prison at Comstock on a certificate of reasonable doubt, upon furnishing ball in the sum of \$15,000. Larkin arrived in Albany last night and put up at the Hampton. To-day he left Albany for New York City,

Bail offered by Mrs. Charles Brooks of the Bronx, was accepted and Larkin was released last night. But aggregating more then \$200,000 was offered by friends of Larkin in New gan, yesterday, when a group of radi-vork City. The appeal will probably cals, aided by the police battled against be argued in October. Attorney Barry o-day sent cablegram to Larkin's wife, who lives with their Dur chi dren in Dublin.

# New Yorkers For A Day

American Colony in Buenos don and the Continent offer many Ayres Is a Bustling Little City in a Big City.

By Roger Batchelder.

"The City of Buenos Ayre, with its .800,000 inhabitants, has an American colony of 2,500," reported Robert H. Downing, sales manager there for an oil concern and Commander of the Suenos Ayres Post of the American Legion. "This city, within a city of a foreign country, is really remarkable Among the institutions which immediately make the visitor think he is back home are the American Club (across the street from the famous Jockey Club), the American Cham-Commerce, three American banks, the American Church, the American Legion, and Liberty Lodge, F. and A. M. There are many places of the same population in this country which cannot boast of all these ousiness and social atttractions."

ENGLAND LIKES OUR FADS.

"Every London business man should make at least one trip to New York to study American business nethods," asserted J. B. Wilson of London, who is at the Waldorf and is

ination.

"London is taking up many of your fads and amusement ideas," he went on. "Chewing gum was popularized cream, long a rarity in the British Isles, is becoming widely used. We used to think that it was only for Am Lin Oil pf. children."

"AS OTHERS SEE US."

"Your Fifth Avenue is a Joy," declared Mrs. Frank S. Fell of Los Angeles, now at the Astor on her first trip to New York. "It fuifilled my fondest expectations, for of course its fame is broad-cast. It was splendid not to be disappointed in something one has long wanted to see."

'high epots" come the subways, sky-scrapers and—this is strange from a Californian-New York's weather at the first of the week But while our shops are up-todate, she thinks that Los Angeles need not come here for styles and apparel.

The "New Yorker For a Day Two" who is furthest from home today is John Hood, who is at the Pennimself studying New York hotels. sylvania. His home town, Honolule The plan works both ways, for Lon- is about 5,600 miles from Broadway.

## NOTED GUNFIGHTER BEATEN TO DRAW BY **NEW POLICE CHIEF**

(Continued from First Page.)

to the draw, the Chief fired from the hip. Five bullets hit Ballew, two rom behind, one of them penetratng the brain. He died instantly, Ballew was forty-five years old. McCormick's record as an officer I mething of a contrast to that of

Ballew. He has small reputation as a unman and this was his first killing When a member of the Texas Ranger force, McCormick was assigned to 'clean up" the oil fields during their nost lawless days here. He arrested nany gamblers and alleged bad men and has a reputation for being cool and fearless. He served with the Rangers when war threatened between Texas and Oklahoma claimants to oll ands in the Red River bed over two vears ago.

As a result of his work in this section, he was selected as Chief of Police for Wichita Falls less than a month

ARDMORE, Okla., May 6 (Associated Press) .- The body of Bud Ballew, on," was home to-day;

Examination of the body showed that two pistols of different calibre about \$20,000. were used. Information from Wichita Falls was that Chief McCormick alone
